

## ***Madison MathCounts Sends Two Students to State Competition***

Madison Middle School's MathCounts Team from 2009-2010 was comprised by four competitors at the February competition at Fairfield University: Grade 8 students Maneesh Koneru, Larissa Mark, and Maxwell Wu and Grade 7 student Iris Rukshin. The team came in twenty-second overall.

Maneesh, who placed third in the individual portion of the competition, and Iris, who earned eighth place, qualified to go on to the state competition in Hartford in March. Although they competed well, they did not score in the top 10.
