

Buroker Repeats as Hillcrest GeoBee Champ

Trumbull's Hillcrest Middle School is pleased to announce that 8th Grade student Miles Buroker, shown in the accompanying photo with Principal Rosemary Seaman and Social Studies Department chair Brian Hendrickson, is the winner of this year's National Geographic Geography Bee at Hillcrest.

Miles' next challenge will be to score among the top 100 Connecticut students on a written exam that will qualify him for the spring State Geography Bee, in which he finished in 6th place last April. Everyone wishes Miles success in the future rounds.

The Trumbull Academic Challenge for Excellence (ACE) Foundation's grant funded Hillcrest's registration fee to enable all of the school's students to participate in this competition in their thirty-five Social Studies classes followed by the school-level competition involving the top ten finalists.
