

### ***Madison MathCounts Team Places Two Students in Top Ten***

Madison Middle School's MathCounts team participated in the Southwest Region competition at Fairfield University on Saturday, February 14<sup>th</sup>. Overall the team placed fourteenth out of the forty-five teams that competed.

Three of Madison's students placed in the top 25% of the 139 participants in the individual competition. Eighth-graders Kelly Zhang and Shivali Gupta placed second and thirty-first, respectively, while Maneesh Koneru, a seventh-grade student, placed ninth.

Kelly and Maneesh went on to compete in the State finals of the MathCounts competition that was held in Hartford on March 14<sup>th</sup>.
