## 8th-grader comes out on top in school Geography Bee

Hillcrest Middle School eighth-grader Miles Buroker, with Principal Rosemary Seaman and Social Studies Department chair Brian Hendrickson.

Eighth-grader Miles Buroker is the winner of this year's National Geographic Geography Bee at Hillcrest Middle School in Trumbull.

Miles' next challenge will be to score among the top 100 Connecticut students on a written exam that will qualify him for the spring state Geography Bee, in which he finished sixth last April.

A Trumbull Academic Challenge for Excellence Foundation grant funded Hillcrest's registration fee to enable all of the school's students to participate in the competition.
